Mr. Thomas:

On behalf of the Session and members of First Presbyterian Church, I would like to thank you for the beautiful restoration work your company did on our church. Although it turned out to be a much bigger project than any of us anticipated, it was timely and expertly done. Your crew was professional, polite and took great care to clean up the site when the project was completed. And best of all, it looks like you were never here! Everything looks great!

Please feel free to use First Presbyterian Church as reference or to use as an example of your workmanship for future clients.

Sincerely,

Becky Briggs, Clerk of the Session
