RE: C & M Restoration Inc.

To Whom It May Concern:

You are to be commended upon your interest in C & M Restoration Inc.. Cretcher Heartland Incorporated is proud to say that we are their surety partner. C & M Restoration Inc. is unquestionably one of the premier contractors in this region of the United States.

C & M Restoration Inc. has been a client of Cretcher Heartland Incorporated for more than 10 years and we have provided payment, performance, and defect/maintenance bonds on numerous projects. We would positively consider a \$3,000,000 work program for this account.

Please understand, of course, that any arrangements for payment and performance bonds are a matter between C & M Restoration Inc. and their surety and we assume no liability to third parties. We are willing to entertain providing final bonds associated with projects they bid, subject to the application of our normal underwriting criteria and contractual review. If I can be of any further assistance, please call me at your convenience.

Sincerely,

Karra K. McGreevy
Bond Department
